

Empowering DIFFERENCES

Capability Statement

www.empoweringdifferences.com

Empowering Differences offers motivational speaking, leadership development and organizational training.

The company was started in 2011 when founder, Ashley T Brundage, recognized the need for leadership based training to empower and inspire organizations and diverse individuals.

WE CAN EMPOWER YOUR ORGANIZATION THROUGH THESE KEY INITIATIVES:

Professional Development:

- **Empowering Actions:** Leadership Development Course designed for your diverse employees and allies in your organization.
- **Empowering Actions for Executive Leadership:** Course for executives, working with them to build up and empower their diverse employees.

Trainings:

- **LGBTQ+ Education:** Terminology, creating safe spaces, and supporting the community.
- **Navigating Disability Inclusion:** Course designed on education for accessibility and resources relating to The Americans With Disabilities Act.
- **Building Engagement Through Cultural Awareness:** Defines how differences make a difference, includes ways to build communicative in-roads between cultures.
- **Empowering Communication:** Explores and explains communication style differences and best practices for effective assertive communication.

Strategy and Assessments:

- **Inclusive Marketing Consulting:** Work with your internal marketing team to ensure diverse representation in your campaigns and content.
- **LGBTQ+ Inclusivity Assessment:** Full scale evaluation for internal and external stakeholders for your organization.
- **Trans Inclusivity Assessment:** LGBTQ+ with a deeper assessment on trans and nonbinary. This is for companies well versed in LGBTQ but lacking in trans inclusivity.

Our team will work with you to best optimize your organization's goals . Training and travel costs vary based on topic selections and location.
